

CONTENTS

No.	Title	Pages
1.	<p style="text-align: center;">USE ALTERNATIVE RAW MATERIALS FOR CONCRETE PRODUCTION</p> <p style="text-align: center;">Jaleel Al Robayie ¹, Hutheifa Jasim Al-Azzawy ², Sultan Noori Al-karawi ³ ¹ Assistant Professor, ² Senior Eng., ³ Assistant Lecturer Engineering College, University of Diyala</p>	1-12
2.	<p style="text-align: center;">SLOPE STABILITY EVALUATIONS BY FINITE ELEMENT METHODS IN DIFFERENT SOIL PROPERTIES</p> <p style="text-align: center;">Jasim M Abbas Assist. Prof., Department of Civil Engineering, College of Engineering – Diyala University</p>	13-19
3.	<p style="text-align: center;">REGRESSION SHARING MODEL DEVELOPMENT TO ESTIMATE THE IRAQI LOCAL AIRPORTS FUTURE DEMAND</p> <p style="text-align: center;">Raquim Nihad Zehawi Lecturer, College of Engineering –Diyala University</p>	20-28
4.	<p style="text-align: center;">SUPPORT VECTOR MACHINE (SVM) FOR MODELLING THE STRENGTH OF LIGHTWEIGHT FOAMED CONCRETE</p> <p style="text-align: center;">Suhad M. Abd, Abbas M. Abd, Assistant Professor, Civil Engineering Department, College of Engineering, University of Diyala</p>	29-36
5.	<p style="text-align: center;">EVALUATION OF SHALLOW GROUNDWATER QUALITY IN ZHENGZHOU AREA (CHINA) USING WATER QUALITY INDEX MODEL</p> <p style="text-align: center;">Bassam F Al Bassam ¹, Rusul K. Taher ² ¹ AlEsraa University College, Baghdad, Iraq ² AlEsraa University College, Baghdad, Iraq,</p>	37-45
6.	<p style="text-align: center;">STABILIZATION OF SALINE SOILS BY DIFFERENT ACTIVE TECHNIQUES</p> <p style="text-align: center;">Safa Hussain Abid Awn Lecturer, Department of Civil Engineering, College of Engineering – University of Diyala</p>	46-60
7.	<p style="text-align: center;">PUNCHING SHEAR BEHAVIOR OF REACTIVE POWDER CONCRETE SLABS WITH DIFFERENT SHAPE</p> <p style="text-align: center;">Tamara Adnan Qaseem Assist. Lecturer, Eng. College, Al-Mustansiriyah University, Iraq</p>	61-73
8.	<p style="text-align: center;">HYDROCHEMICAL ANALYSIS OF GROUNDWATER RESOURCES IN KANAN REGION</p> <p style="text-align: center;">Qassem H. Jalut ¹, Fatan R. Majeed ² ¹ Assistant Professor, ² Assistant Lecturer - Department of Civil Engineering, College of Engineering –University of Diyala.</p>	74-82

9.	<p align="center">FLEXURAL BEHAVIOR OF STEEL FIBER-SELF COMPACT CONCRETE SLABS</p> <p align="center">Murtada A. Ismael Lecturer, Civil Engineering Department, College of Engineering, University of Diyala</p>	83- 99
10.	<p align="center">MEASUREMENTS OF SUCTION AND WATER CONTENT DURING SATURATION OF COMPACTED EXPANSIVE SOIL</p> <p align="center">Bushra Suhail Al-Busoda¹, Hassan Obaid Abbase² ¹Assistant Professor, ² Ph.D. Student /Civil Eng., Baghdad University</p>	100-109
11.	<p align="center">INFLUENCE OF HEAD ELEVATION ON THE STABILITY OF EARTH FILL DAM, FADA DAM AS A CASE STUDY</p> <p align="center">Ali Laftah Abbas Assistant Prof., Civil Engineering Department, College of Engineering, University of Diyala, Iraq</p>	110-120
12.	<p align="center">BUILD A MULTI-CRITERIA EVALUATION MODEL FOR THE SELECTION OF A CONTRACTOR IN CONSTRUCTION PROJECTS</p> <p align="center">Hafiz Ibrahim Naji Assistant professor, Civil Department, Engineering College – University of Diyala</p>	121-133
13.	<p align="center">ANN AND STATISTICAL MODELLING TO PREDICT THE DEFLECTION OF CONTINUOUS REINFORCED CONCRETE DEEP BEAMS</p> <p align="center">Abbas M Abd¹, Wissam D Salman², Qusay W. Ahmed³ ¹ Assistant Professor, ^{2,3} Lecturer, Civil Eng. Dep., University of Diyala</p>	134-143
14.	<p align="center">THE CORROSION EFFECT OF SULFUR-REDUCING BACTERIA ON REINFORCED HIGH STRENGTH CONCRETE</p> <p align="center">Amer M. Ibrahim¹, Adnan Neama², Saja M. Muhsen² ⁽¹⁾ College of Engineering / University of Diyala ⁽²⁾ College of Education for Pure Sciences/ University of Diyala</p>	144-156
15.	<p align="center">FUTURE PREDICTED DYNAMIC MODEL URBAN GROWTH FOR BAQUBAH CITY</p> <p align="center">Ali Hussein Hameed¹, Zainab Ahmed Al-kaissi² ¹ Lecturer, Dep. Civil-Engineering College –Diyala University ² Assistant Professor, Al-mustansiryah University</p>	157-171
16.	<p align="center">THE CONSEQUENCES OF POOR QUALITY ON PROJECT MANAGEMENT SUCCESS OF BUILDING PROJECTS</p> <p align="center">Samiaah M. Hassen Al-Tmeemy, Wadhah amer Hatem Ministry of Higher Education -Technical Institute-Baquba-Iraq</p>	172-182
17.	<p align="center">SOFT GROUND SUBSIDENCE PREDICTION OF HIGHWAY BASED ON THE BP NEURAL NETWORK</p> <p align="center">Qasim A. Aljanabi Department of Civil Engineering, College of Engineering – Diyala</p>	183-188

18.	<p style="text-align: center;">EFFECT OF HEATING ON SHEAR STRENGTH IN WASTE PLASTIC LIGHTWEIGHT CONCRETE BY USING A NEW TEST SPECIMEN</p> <p style="text-align: center;">Khattab Saleem Abdul-Razzaq Assistant Professor Department of Civil Engineering, College of Engineering –Diyala University</p>	189-210
19.	<p style="text-align: center;">دراسة مياه الابار وتحليلها في قضاء بلدروز في محافظة ديالى باستخدام نظم المعلومات الجغرافية GIS</p> <p style="text-align: center;">¹ أ.د. ثاير حبيب عبدالله, ² طيبة جمعة مجيد ¹ جامعة ديالى – كلية الهندسة – قسم الهندسة المدنية ² كلية التربية للعلوم الانسانية - جامعة ديالى</p>	227-211
20.	<p style="text-align: center;">تقييم البدائل التخطيطية باستخدام اسلوب التحليل الشبكي Analytic Network Process للبدائل التخطيطية للمخطط الاساس لمدينة كربلاء 2030 انموذجا</p> <p style="text-align: center;">¹ م.د. نبيل طه اسماعيل, ² م.م. اريج محي عبد الوهاب ¹ جامعة اوروك الاهلية – قسم الهندسة المعمارية ² الجامعة المستنصرية – كلية الهندسة – قسم الهندسة المدنية</p>	254-228
